Immunizations

Immunizations is a component of the Patient Dynamic Summary in HEALTHe NL and can be accessed by selecting the “Immunizations” tab next to the Medication Profile Tab (**Figure 1**).

It provides patient immunization records from the following sources:

- Immunization records and related adverse reaction data from the Provincial Client and Referral Management System (CRMS) since 2003
- Immunization records from Community Pharmacies
- COVID-19 immunization records from Community Pharmacies, EMR and Meditech
- Influenza immunization records from Community Pharmacies, EMR and Meditech

This tab only appears if the user has a role that has access to the immunization data.

TO DETERMINE THE IMMUNIZATION STATUS OF INDIVIDUALS WHO RECEIVED IMMUNIZATIONS IN A COMMUNITY HEALTH CLINIC PRIOR TO 2003, PLEASE REFER TO THE INDIVIDUAL'S COMMUNITY HEALTH IMMUNIZATION AND HEALTH RECORD. THIS RECORD MAY BE OBTAINED BY CONTACTING THE COMMUNICABLE DISEASE CONTROL (CDC) OFFICE IN YOUR REGIONAL HEALTH AUTHORITY. CONTACT INFORMATION MAY BE FOUND UNDER THE 'LINKS' MENU ON THE CLINICIAN HOMEPAGE.

A DATA QUALITY ISSUE HAS BEEN IDENTIFIED IN SOME COVID-19 IMMUNIZATION RECORDS RESULTING IN THE INCORRECT DATE BEING DISPLAYED. IF THERE IS A DISCREPANCY BETWEEN THE DIGITAL RECORD AND THE PAPER RECORD, PLEASE REFER TO THE PATIENT'S PAPER RECORD. IT MAY TAKE UP TO 72 HOURS FOR COVID-19 IMMUNIZATIONS TO BE DISPLAYED.

Date Given	Vaccine	Antigen / Immunoglobulin	Source
2021-Sep-02	Moderna Spikevax COVID-19 vaccine	Antigen of 2019 novel coronavirus	Pharmacy
2019-Jan-29	Pneu-P-23	Pneumococcal polysaccharide antigen	Community Health
2016-Feb-11	Tdap	Tetanus toxoid Diphtheria toxoid Acellular pertussis antigen low dose	Community Health

IMPORTANT: Immunization data in HEALTHe NL is transferred from the Pharmacy Network which includes immunizations administered at community pharmacies, and from the Provincial Client Referral Management System (CRMS), which is used by the community health programs within the Regional Health Authorities in NL. Only vaccinations entered in CRMS since 2003 are displayed in HEALTHe NL. COVID-19 and influenza immunizations are imported from Meditech, EMR, and the Pharmacy Network.

Figure 1: Immunizations Page

[Return to menu](#)

By default, the **Immunization** results are ordered by the “Date Given” column with the newest data being at the top (**Figure 2**). However, the results can be sorted by “Vaccine”, or “Antigen / Immunoglobulin” or “Source”. To sort by any of these possibilities click on the header name respectively. Please note the first time you click on the header name the column is sorted in alphabetical order A to Z. To sort in reverse alphabetical order Z to A, click again on the header name. The sort is case-sensitive.

Immunization data entered in CRMS prior to 2003

Immunizations entered in CRMS prior to 2003 are not available in HEALTHe NL. Records may exist in the Communicable disease Control office in your Regional Health Authority.

If immunization tab is clicked for a patient whose immunizations entered in CRMS prior to 2003 and Community Health is selected, “No results found” message is displayed. *(Figure 5).*

Regional Health Authority contact numbers may be found on the Clinician Homepage under [LINKS > CDC Contact info links](#) *(Figure 6).*

The screenshot shows the patient record for Tonda Church, with tabs for Patient Summary, Timeline, Encounters, Medication Profile, Referrals, and Immunizations. The Immunizations tab is active, displaying filters for Source (Community Health, Pharmacy, EMR, Meditech) and Show (All, COVID-19 only). Two warning messages are shown: one about determining immunization status for records prior to 2003, and another about a data quality issue with COVID-19 records. Below the messages is a table with columns Date Given, Vaccine, Antigen / Immunoglobulin, and Source. The table contains one row with the text 'No results found.'.

The screenshot shows the HEALTHe NL Clinician Homepage. On the left sidebar, under the 'LINKS' section, the 'CDC Contact Info' link is highlighted with a red box. A callout box points to this link with the text: 'Click this link to see the CDC Contact Info'. In the center, a pop-up window titled 'RHA Communicable Disease Control Offices' is displayed, showing contact information for four health regions: Eastern Health, Western Health, Central Health, and Labrador-Griffith Health. A callout box points to this pop-up with the text: 'When the "CDC Contact Info" link is clicked, the RHA Communicable Disease Control Offices contact numbers are displayed'. The background shows the main interface with sections for 'What's New', 'Patient Demographics', 'Recent Patients', and 'My Worklist'.
